To the House of Commons

The petition of residents of North East London

Declares that the petitioners believe that the proposed closure of accident and emergency and maternity wards at King George Hospital Redbridge would not be in the best interests of the people living in these constituencies.

The petitioners therefore request that the House of Commons urges the Government to take all possible steps to stop the proposed closure of the accident and emergency and maternity wards at King George Hospital, Redbridge.

And the petitioners remain, etc
